

Friends of  
Warrnambool Botanic Gardens

Friends of Warrnambool Botanic Gardens wish to inform visitors and the local community that as of July 3, 2016 we are suspending the usual Sunday walking tours of the Gardens.

Guided walks will not be held at 2.30pm on the second and fourth Sundays as has been the practice for many years.

Guided walks will still be provided by appointment at other times, either at weekends or during the week.

Any persons or groups wishing to arrange a free guided tour of the Botanic Gardens can contact a guide in one of three ways:
